Affilation : Yıldız Technical University, Turkiye

Art Work Title : Repeat

Art Work Technique(s): Photography

Art Work Date: 20.11.2024

Art Work Information/Details

"Repeat" captures a unique perspective of tree leaves reflected on windows, creating a mesmerizing interplay between the natural and the constructed environment. The title "Repeat" underscores the theme of reflections, emphasizing the rhythmic repetition and symmetry formed by the interaction of light, glass, and foliage. This photograph invites viewers to explore the duality of reality and illusion, challenging perceptions of depth and transparency.
