

Dear students,

Your midterm exam for "MTM3512 Complex Analysis 1" course will be held on April 28, 2023, Friday at 16:00-17:40 (**exam duration: 100 minutes**) as a **multiple-choice exam** covering all the topics discussed in the course.

- For the exam, the Multiple-Choice Exam module uploaded to online.yildiz.edu.tr will be used.
- You will not be able to go back to the previous question once you have seen it.
- There are 25 equally weighted questions.
- The exam questions will be answered individually. (You can use your course notes.)
- You can access the questions from the relevant module (online.yildiz.edu.tr) at 16:00 on the exam day. **The wrong answer will not affect the total score .**

Good luck
